- Next, the host draws one calling card, shows the group the calling card and say what the card is. Anyone who is standing in that corner is now out. All players who are out must sit down at the side of the room.
- If the switch corners card is drawn, then all players must go to another corner before the host picks a calling card. When the host picks the second card, whoever is standing in that corner is now out and must sit down.

The Story of the Good Samaritan (Luke 10:25-37)

One day, Jesus was teaching when a man who studied the law asked Him a question:

"Teacher, what must I do to have eternal life?"

Jesus replied, "What does the law say?"

The man answered, "Love the Lord your God with all your heart, soul, strength, and mind, and love your neighbor as yourself."

Jesus said, "That's right! Do this, and you will live."

But the man wanted to know more, so he asked, "Who is my neighbor?"

Jesus Told This Story:

There was a man traveling from Jerusalem to Jericho. On the way, some robbers attacked him! They took his clothes, hurt him badly, and left him on the road.

A priest came by, but when he saw the hurt man, he walked to the other side of the road and passed him by.

Then a Levite (a helper in the temple) came by. He saw the man but also walked away without helping.

Then a Samaritan man came along. (Samaritans and Jews usually did not get along.) But when the Samaritan saw the hurt man, he felt sorry for him.

He cleaned his wounds with oil and wine, bandaged him up, and put him on his donkey. Then he took him to an inn, cared for him, and even paid the innkeeper to take care of him until he got better.

After telling the story, Jesus asked, “Which of these three men was a good neighbor?”

The man answered, “The one who showed kindness.”

Jesus said, “Go and do the same.”
