
PARABLES OF JESUS

Introduction

For eight weeks we've been learning the stories Jesus told - they are called parables. Each parable teaches us something true about God - how He searches for the lost, welcomes us home, and shows mercy to anyone who asks. And every one of them points us to Jesus, who did all of that for us. This is what we have learnt.

The Sower

A farmer threw seed everywhere
- some seed got eaten, some
dried up, but the good soil grew
lots!

**Jesus wants His Word to grow deep
roots in our hearts.**

The Wise and Foolish Builders

One man built on rock and one built on sand - when the storm came, only the house on the rock stayed up.

Jesus is our rock, so we can stand safe in any storm.

The Mustard Seed

The smallest seed of all grew
into the biggest tree.

**One man - Jesus - started something
that has grown bigger than anyone
imagined.**

The Lost Sheep

Ninety-nine sheep were safe,
but the shepherd searched and
searched until he found his one
lost sheep.

**Jesus is the Good Shepherd who
gave His life to find us.**

The Prodigal Son

The son ran away and made a mess, but when he came home his father ran to hug him.

God runs to welcome us home, no matter what we have done.

The Pharisee and the Tax Collector

One man bragged to God about how great he was, the other just asked for mercy.

Jesus is the reason God can show us mercy when we ask.

The Unforgiving Servant

A man was forgiven a huge debt
but would not forgive a small
one.

**God forgave us more than we could
imagine, so we forgive one another.**

The Good Samaritan

One kind man stopped to help someone that everyone else ignored and walked straight past.

Jesus is the true rescuer who crossed every road to reach us.
