Step by step guideline

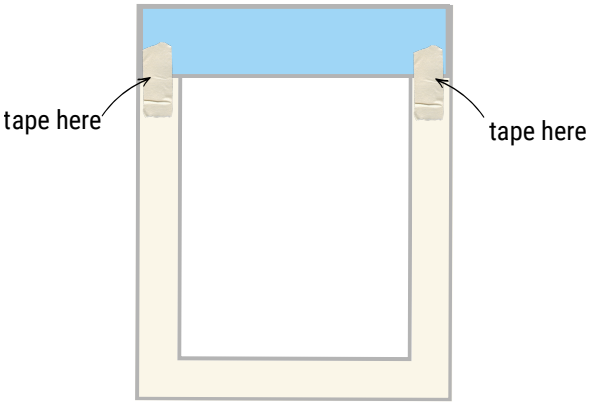

Step 1:

Cut out the templates
(2 frames and 5 stripes)

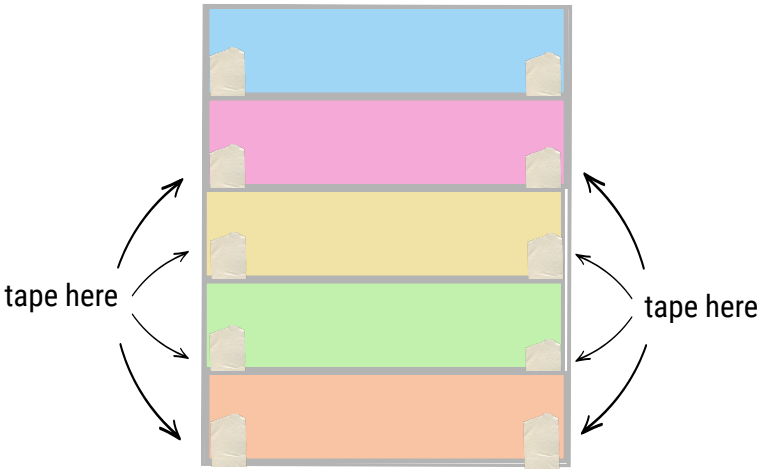

Step 2:

Take one frame and tape one stripe align with the top frame

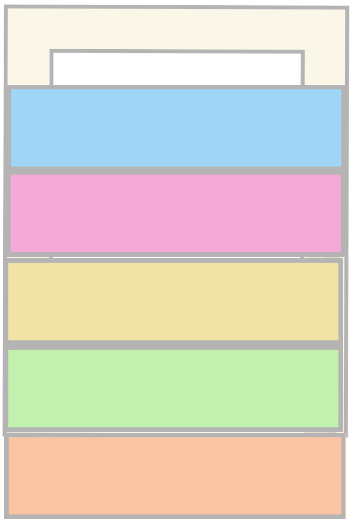

Step 3:

Repeat step 2 and tape the rest of the stripes

Step 4:

Check - they should be able to flip down like a window

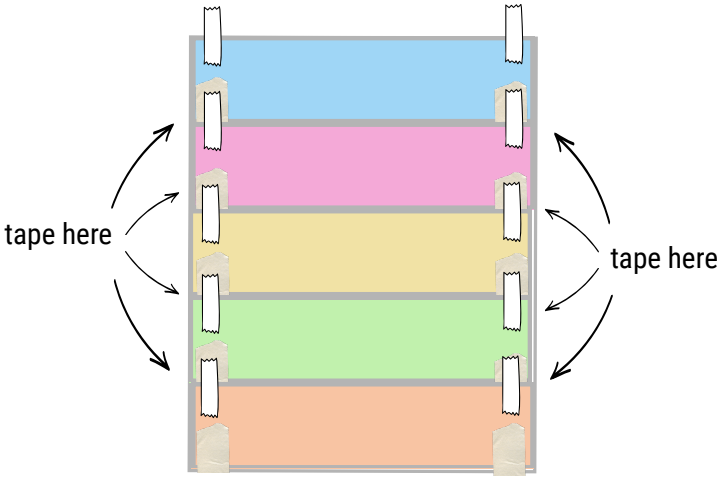

Note:
Color coding stripes helps you identify each part easily.
If you find it confusing, you can watch the video tutorial.

Step by step guideline

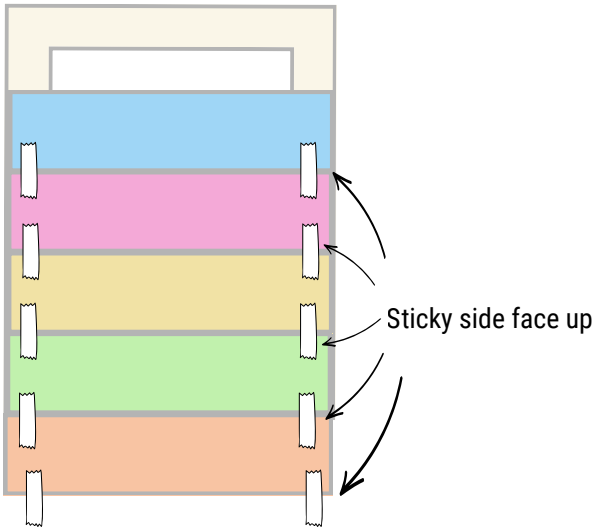

Step 5:

Flip it back up and tape the top area but don't tape it down (they are not suppose to stick together)

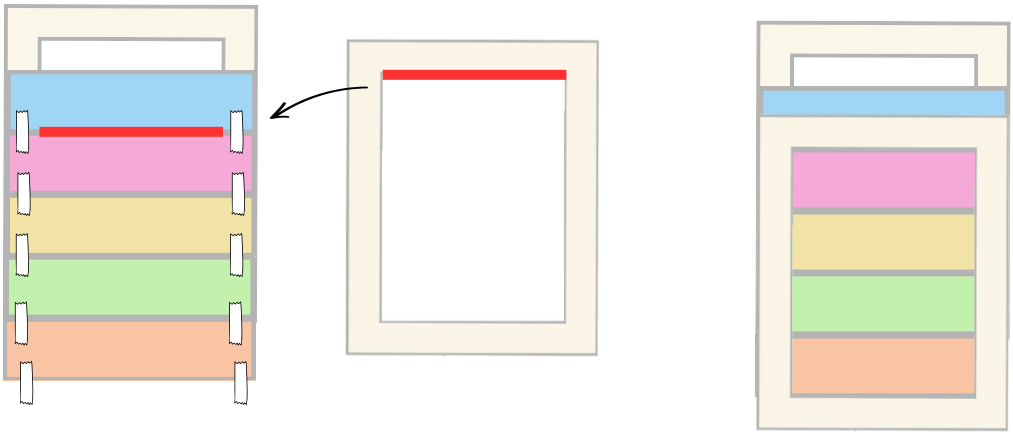

Step 6:

Flip the stripes down

Step 7:

Take the second frame, align with the red line and press down to stick

Note:
If you find it confusing, you can watch the video tutorial.

Step by step guideline

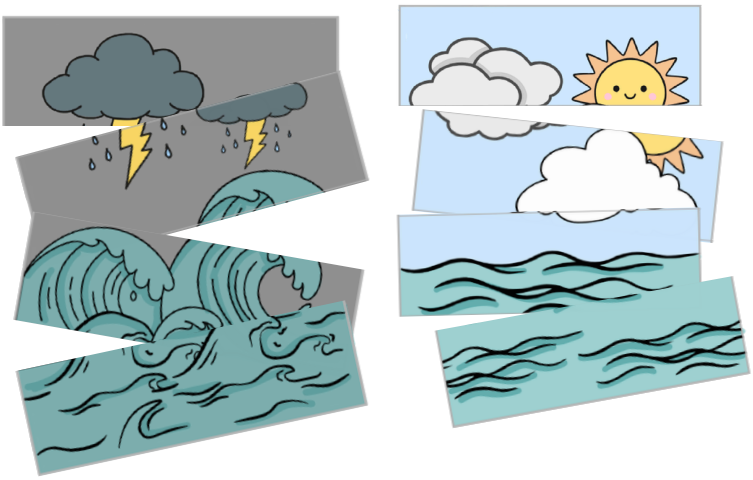

Step 8:

You'll be able to flip up and down at this point

Step 9:

Cut out the storm and sunny picture

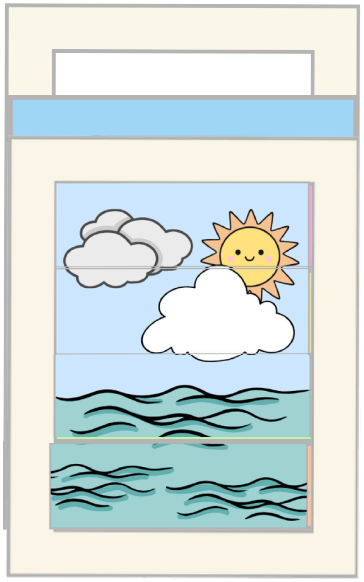

Step 10:

Glue each of them to the stripes like a puzzle

Step 11:

Flip down and glue the sunny weather as well

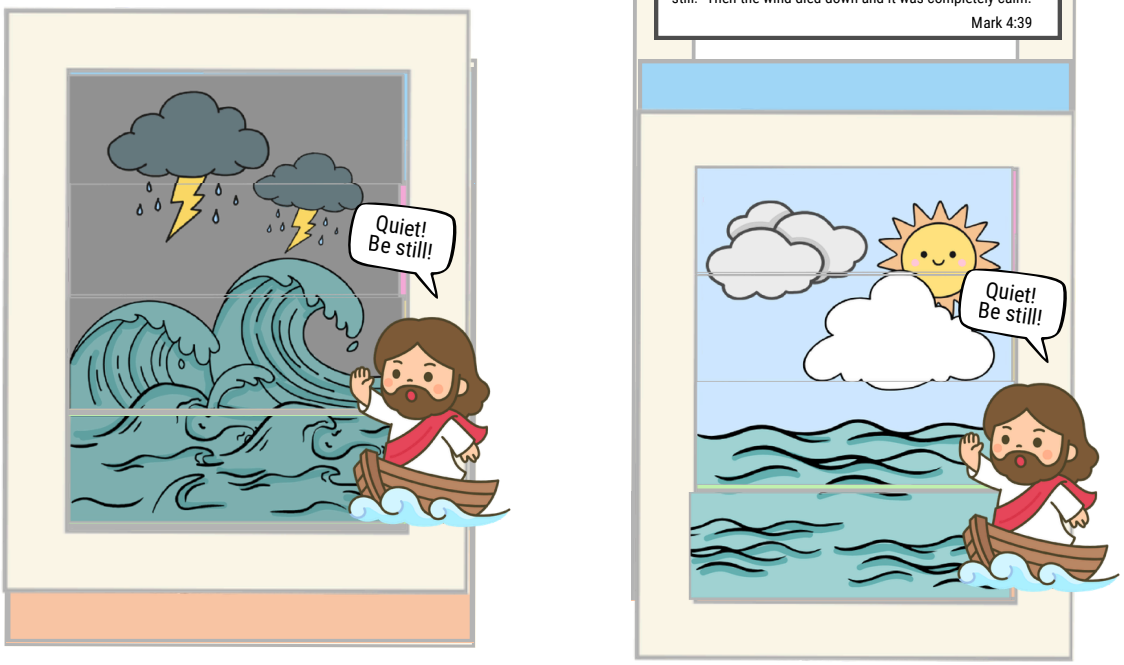

Note:
If you find it confusing, you can watch the video tutorial.
