

COOTIE CATCHER INSTRUCTIONS

1

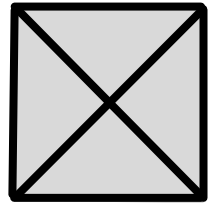

Cut out the square. Flip the pictures face down, fold on the diagonal lines.

2

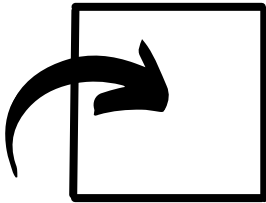

With the picture side of the square still face down, fold a corner into the center.

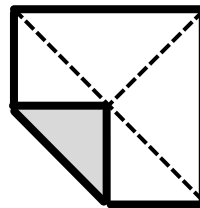

Then fold the other three corners into the center.

3

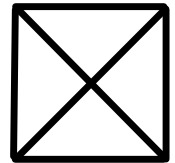

Flip the entire square over

4

Folder a corner into the center.

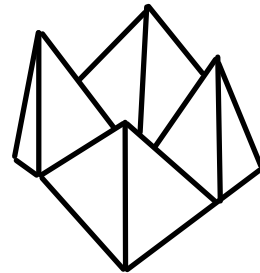

Then fold the other three corners into the center.

5

Fold in half from top to bottom. Do not unfold.

6

Put your thumbs and forefingers into the flaps and have fun!

HOW TO USE THE COOTIE CATCHER

- Color if using black and white.
- Print and fold the cootie catcher using the instructions provided.
- Someone holds the cootie catcher with both thumbs and index fingers inside the pockets.
- Get someone to choose one from the top flaps of the cootie catcher. Spell out the word while opening and closing the cootie catcher.
- Get them to pick a number from the inside square. Again, count the number while opening and closing the cootie catcher.
- Ask them to pick again from the choices showing. This time, lift the flap to reveal the question.
- Read the question and answer.
- Repeat as many times as you'd like!
