JESUS CONNECTION — land this at the end of the game

In this story, the farmer who plants the seeds is like Jesus, sharing God's word with everyone. The good seed is God's word, and our hearts are like the soil. God wants us to have soft, ready hearts that hear His word and let it grow. When we love and trust Jesus, His word grows in us like a strong, healthy plant — and that lasts forever. **So what kind of soil is your heart today?**
